

MDX13E

Maximum benefit on minimal space

Optimized for use with euro coins and notes, the MDX 13E is a compact entry-level model for any cash desk.

The practical design of the drawer interior with a two-part insert offers space for 8 coin and 5 note compartments. The ANKER entry-level cash drawer is fitted with ball bearing mounted runners. It can be easily managed via the

RJ11/ RJ12 interface and other compatible systems.

Its attractive price makes this product the ideal solution for all standard applications at the point of sale.

Closed drawer

3-position lock
