

MDX18

The big and sturdy one

The cost-effective cash drawer with many advantages and a high volume.

The practical cash insert is divided into 8 coin and 5 note compartments. 4 coin compartments can be adjusted and the coin insert can be removed separately. The complete cash insert can be removed en bloc. 2 useful slots for receipts and coupons increase the function volume of the drawer.

The metal construction, the ball bearing mounted runners and the 3-position cylinder lock with 2 keys for theft-proof use underline the product's high-quality construction

The MDX 18 is the big, cost-saving cash drawer for your point of sale!
