

# MDX42

## The classic

This cash drawer combines quality and flexibility with longevity. The robust metal housing with a load capacity of up to 20 kg is the ideal component when integrating weighing and cash register systems.

8 weighable coin cups for use with money scales as well as the removable cash insert with lockable lid guarantees maximum user-friendliness.

The robust all-steel construction as well as the galvanized, ball bearing mounted telescopic runners provide stability and, in addition to the proven locking mechanism, help safeguard the money.

The heavy-duty classic model by ANKER.
